About No Limits Gallery

No Limits Gallery specializes in corporate identity.

Through the fusion of fine art and graphic design, No Limits Gallery bring the client a fresh new look designed to beat the competition.

The new look is not only carried throughout the print work, but also through to the web site design, Power Point presentations, etc....

Taking business to a new level, and bringing confidence to our clients sales and marketing teams.

One of the main aspects that set's NLG apart from the competition is that the designers themselves take all of the photography as well as creates

all of the illustrations. This gives NLG the creative freedom to capture the clients idea more precisely.

Another Aspect of No Limits Gallery that sets it apart from the rest is that, NLG takes that time to to work with the clients personally to come up with a solution that will definitely fit their target market.

About, Manuel Ryan Espinosa (Mico) (A photo of me next to description)

Manuel Ryan Espinosa is the founder and owner of No Limits Gallery.

(Print Designer, Web Designer, Photographer, Fine Artist, Illustrator, Flash Animator, Power Point Artist, Trade Show Artist)

Manuel Ryan Espinosa began studying art at the University of California, San Diego. where he received his Major in Visual Arts Media, with an emphasis in computer graphics and a minor in Biochemistry. Manuel went on to finish three graduate certificates in print design, internet design and convergent media.

Manuel began his professional career at Maranatha Music. Where he worked and learned under the Art Direction of John baker, who taught Manuel the fusion of fine art and design.

Manuel soon was hired as the lead designer and Art Director for an emerging corporation called Global ePoint, where he worked and developed his craft For Six Years.

After six years, seeking new and fresh adventure, Manuel left Global ePoint to start No Limits Gallery.

About, Juan Pablo Larios (A photo of Juan Pablo next to description)

Juan Pablo Larios, artist for No Limits Gallery

(Print Designer, Web Designer, Cartoonist, Animator)

Juan Pablo received his bachelors degree from the Art Institute of Costa Mesa.

Showing promise as a young student, he was offered a job

as an understudy for the Simpsons Animation Company. He later became

an artist for Atari animation. Juan Pablo developed an interest in print and web design, and has found a new home at No Limits Gallery.

Internet Marketing (Title of the page)

This page contains successful advertising ideas that have worked for our clients in the past.

Internet Marketing Tips

1) A website with Awsome design and Awsome Content (****)

Submitting to multiple forums on the internet, are a good way to get your site noticed.

a) MySpace - Forums, blogs, etc.....

2) Web Page E-mail Blasts (****)

One of the most powerful internet marketing tools that NLG has found are web page e-mail blasts.

3) Pay Per Click

Google Adwords Program (****)

is another almost Guaranteed sale for most businesses.

Overture (**)

which works in conjunction with Yahoo is also a good Pay Per Click Service however, it costs more and you don't get as much bang for your buck as Google.

4) Web site Search Engine Optimization (SEO) (****)

No Limits Gallery - Included with purchase of web site. (**)

No Limits offers a basic optimization and web site submission with the purchase of our web sites. However, we do not yet guarantee a high web site placement. If you would like to have a guaranteed high placement in all the major search engines, we recommend the two companies below.

Note: <http://www.seoelite.com/Google.htm>

Note: [Webposition Gold 3 Search Engine & Web Promotion Software.exe.zip](#)

1st-page. (****)

Search Engine Optimization (Guaranteed first page of top 10 search engines)

(Starting price off \$1,000.00)

<http://www.1st-page.com/>

<http://www.seoexperts.com/> (****)

People choose to do business with us instead of our competitors because we offer 100% money back guarantee, month to month agreements and guaranteed rates.

(Starting price off \$2,000.00)
